At 3.00PM, Pickup from hotel for Cave & Mangrove Tour. Go on an amazing maze of meandering trails, channels and waterways, where you'll discover a unique animal sanctuary and plant life. Among the highlights of the tour are Bat Cave, Limestone, Mangrove Jungle, Fishing Village, Eagle Feeding and enjoy a refreshing swim at an isolated beach.

Unknowing to many, the mangrove forest plays an integral role in the ecosystem. Sometimes you'll encounter on the forest grounds animals like mudskipper, crabs, dragonflies and monitor lizards and amongst the trees are the monkeys, some type of birds like the rare brown wing stork-bill kingfisher and the amazing eagles.

If you are lucky, when the boat cross along the river you will see various type of mangrove animals like otter and long tail macaque which are seldom to be found on the normal day light.

Visit the bat cave. Explore the enchanting crocodile cave by boat. Visit a fish farm carrying out aquaculture activities. Tame fish will tickle your fingertips as you feed them! Watch Brahminy Kite eagles swoop down from the sky to feed, the moment the guide gives the signal and it is an awesome and unforgettable sight to behold.
