#### Itinerary: Bukit Melawati & Kampong Kuantan Fireflies.

Explore kilometers of unspoiled jungle, teeming with wildlife and come face to face with some of Malaysia's most famous animal inhabitants. Your expert local guide will take you through the jungle trail in search of the silver leaf monkeys who patrol the tree tops, herons and egrets in the sky and lakes and the lizards, crabs and mudskippers that move through the mangrove.

It is not just the wildlife that attracts visitors to Kuala Selangor. Held in high importance by centuries of rulers, it has been the scene of many battles and the remnants of "Fort Altingsburg", built to defend the town from sea bound invaders provide a fascinating insight into past colonial conflicts. Further stops the British-built lighthouse and the royal mausoleum are not to be missed.

After a day of jungle exploring, relax with a delicious dinner in a top local restaurant on the river front before boating upstream for a truly unforgettable experience to witness Kuala Selangor's famous fireflies illuminating the dusk sky.
