Tour Overview:

Dive into the crystal waters of the alluring island of Nusa Lembongan, a tropical paradise located off the south-coast of East Bali where white-sandy beaches, mangroves and cliffs offer the perfect getaway for families, water sports enthusiasts and beach lovers alike. Step on a luxury catamaran, and escape the sounds of the city as you depart Bena Harbour along the glistening waters to the pontoon at the tranquil Lembongan Bay.

Admire Lembongan Island's exotic marine life and colourful corals from the comfort of a semi-submersible coral viewer, or why not choose to explore the underwater world by going snorkelling in beautiful Lembongan Bay, or even try scuba diving! An experienced team of PADI diving Instructors will teach you how if it is your first time. Have fun in the sun as you sip a cocktail as you top up your tan or join in a host of other activities - like unlimited banana boat rides, a cultural tour of the island or the exciting 35-metre waterslide. After you've worked up an appetite, feast on a delicious buffet served in air-conditioned comfort.

This is an incredible opportunity to see Bali's beautiful underwater world, swim in the clear blue sea, enjoy many exciting activities with your family and take lots of colourful photos to remember these amazing moments. This fascinating boat trip is essential on any holiday itinerary for those want to spend time in a beautiful setting admiring breath-taking views whilst creating inspiring memories to last a lifetime!
