Tour Overview:

Relax on a scenic drive through Bali's countryside as you make your way to the first stop of the day. Admire the beauty and tranquility of **Taman Ayun**, the Royal Temple of Mengwi. Built in 1634, this impressive temple is Bali's most sacred, surrounded by a wide moat which creates the sensation as if you are standing in the middle of the lake. Next, continue on to **Bedugul**. This pleasant mountain village is located on **Lake Bratan** and you will visit its **Botanical gardens** and fresh produce market. Due to its higher altitude and cooler weather, Bedugul is Bali's agricultural centre for vegetables.

Afterwards, enjoy a **delicious lunch at a local retreat** by the lake. Once you've satisfied your hunger, take a short walk to the shore of the lake and board a traditional boat or Jukung for a short paddle to reach the **Ulun Danu Temple**. You will discover this magnificent water temple from a unique perspective as you gaze upon the temple from a distance as it stands proudly on the lake.

Finish the day with a visit to the stunning **Tanah Lot Temple**, Bali's most photographed. The temple is perched on a little rocky islet that is inaccessible during high tides. After the visit to Tanah Lot your driver will take you back to your accommodation where your tour will come to an end.
