Tour Overview:

Welcome to a world of fun, located at 6,000 feet above sea level amidst a beautiful 100 million year old rainforest and only an hour's drive away from Kuala Lumpur, it's a great place to escape the bustle of the modern life, break the routine and to release your inner child.

There is literally everything and anything you could dream of to have a good time! There is no such thing as boredom here. With three amusement parks, one outside, one inside and one waterpark - be prepared for all around adrenaline buzzes. For the adventurous, you' ll find the opportunity to abseil and indoor rock climb, dare you test your ability? Practice your aim with a bit of archery or why not try the skydiving wind tunnel.

For the more traditional holiday travelers, this park has facilities to play all your family's favourite pastimes such as snooker, video arcades and bowling. If that's not for you, there's also a great range of shops to browse at your leisure and maybe even to treat yourself!
