Tour Overview:

Live the high life in Taiwan with an afternoon in the stunning Yangmingshan National Park, the only volcanic park in Taiwan with hot springs. The magnificent mountains scenery and the landscaped gardens in traditional Chinese style have won the park a reputation as an urban forest and the 'garden of Taipei'.

One of the park's stand-out attractions is a large clock made of flowers, with water running around the face and music played every hour. The park is surrounded by four other majestic mountains, which adds to the dramatic scenery. One of these, Shamao boasts a year-round profusion of colour and a breathtaking natural landscape. This is a good spot for you to enjoy the hot spring soak and a feast of organic vegetables in Mother Nature's nurturing embrace as you nourish your mind, body and soul.
